

United States Senate

WASHINGTON, DC 20510

December 3, 2015

The Honorable Barack Obama
President of the United States
The White House
1600 Pennsylvania Ave., NW
Washington, D.C. 20500

Dear President Obama:

With a two year budget agreement now in place, we understand that you are working with House and Senate Leadership and the House and Senate Appropriations Committees to formulate legislation to fund the federal government for the remainder of Fiscal Year 2016. During these negotiations, we urge you to publicly oppose any riders that would gut America's foundational environmental laws.

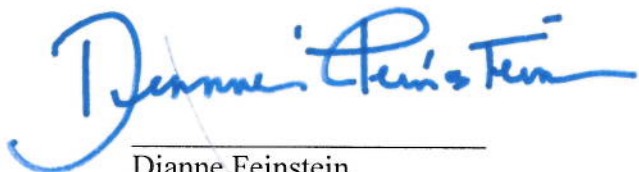

Unfortunately, many of the appropriations bills approved this year have included deeply divisive policy riders that have no place in must pass legislation or in complicating the bipartisan cooperation necessary to pass such legislation. To avoid these harmful outcomes, we write to you to express our strong opposition to any riders that would gut America's foundational environmental laws and threaten our air, water, lands, and wildlife and urge you to bring forward legislation that is free of any harmful ideological riders.

Regardless of our opinions about any specific rider, we believe it would be inappropriate to attach contentious policy riders to legislation to fund the government in FY 2016. Instead of undermining this legislation with irrelevant policy riders that have nothing to do with the nation's spending certainty, we strongly urge you to bring forward legislation free of controversial provisions to fund the federal government for the remainder of the fiscal year.

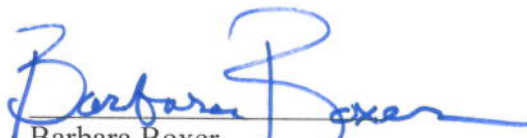

Please publicly oppose any riders that would gut America's foundational environmental laws.

Sincerely,

Benjamin L. Cardin
United States Senator
